SHIPMAN & GENTRY,

BY REQUEST

Prepared at Small Cost, and
Many Swear by It.

Mix the following by shaking well
in a bottle, and take in teaspoonful
doses after meals and at bedtime.
Fluid Extract Sassafras, one half
ounce; Compound Kargon, one ounce
Compound Syrup Sarsaparilla, three
ounces. A local druggist is the au-
thority that these simple harmless in-
gredients can be obtained at nomi-
nal cost from our home druggists.

The mixture is said to cleanse and
strengthen the clogged and inactive
kidneys, overcoming Backache, Blad-
der weakness and Urinary trouble of
all kinds, if taken before the stage of
Bright's disease.

Those who have tried this say it
positively overcomes pain in the back,
clears the urine of sediment and regu-
lates urination, especially at night,
curing even the worst forms of blad-
der weakness.

Every man or woman here who feels
that the kidneys are not strong or ac-
ting in a healthy manner should mix
this prescription at home and give it
a trial, as it is said to do wonders for
many persons.

The Scranton (Pa.) Times was first
to print this remarkable prescription,
in October, of 1906, since when all the
leading newspapers of New York, Bos-
ton, Philadelphia, Pittsburgh and other
cities have made many announcements
of their readers.

Out of all the external remedies on
the market we doubt if there is one
that has the record of the world re-
nowned porous plaster—Alcock's. It
has now been in use for sixty years,
and still continues to be as popular as
ever in doing its great work of relieving
our pains and aches. It is the rem-
edy we all need when suffering from
any form of ache or pain resulting
from taking cold or over-strain.

Alcock's Plasters are sold by Drug-
gists in every part of the civilized
world.

Rheumatism

I have found a tried and tested cure for Rheu-
matism! Not a remedy that will straighten the
distorted limbs of chronic cripples, nor cure hor-
rible growths back to flesh again. That is impossible.
But I can now surely kill the pains and pang of
this deplorable disease.
In Germany—with a Chemist in the City of
Darmstadt—I found the last ingredient with
which Dr. Shoop's Rheumatic Remedy was made
a perfected, dependable prescription. Without
that last ingredient, I successfully treated many
cases of Rheumatism; but now, at last, it uni-
formly cures all curable cases of this horrid
much dreaded disease. These sand-like granular
wastes, found in Rheumatic blood, seem to dissolve
and pass away under the action of this remedy as
freely as does sugar when added to pure water.
And then, when dissolved, these poisonous wastes
twenty years from the system, and the cause of
Rheumatism is gone forever. There is now no
real need—no actual cause to suffer longer with-
out help. We sell, and in confidence recommend
